

# ANC 2A to hold its April 2020 meeting virtually due to pandemic

ANC 2A will be holding its April 2020 meeting on Wednesday, April 22nd at 7:00 pm in a virtual Zoom conference room due to the coronavirus pandemic. Under an emergency bill signed by Mayor Bowser on March 17, Commissions may meet virtually without a physical presence during a Public Health Emergency.

We will continue to have public comment at the beginning of the meeting and on each motion and agenda item.

## To join our meeting:

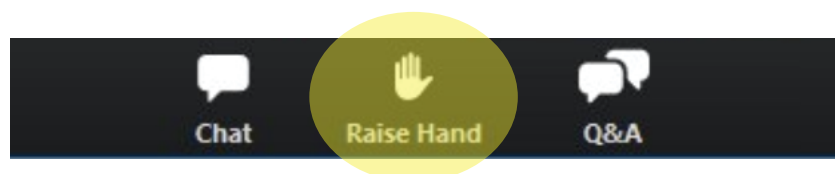

Go to [bit.ly/ANC2AApril2020](https://bit.ly/ANC2AApril2020) in your web browser, on a mobile device, or a desktop or laptop computer. Follow the on-screen instructions to launch Zoom.

If you do not have a computer or access to the internet, you may join the call via phone at +1 (646) 558-8656 with meeting ID 609 231 921 #.

If at all possible, please join the meeting via Zoom app instead of by phone, as we use visual aids (presentations, etc.) that you would not be able to see on a call.

## To ask a question:

Click the 'Raise Hand' icon to ask a question. At the discretion of the Chair, we will remotely turn on your microphone so you may ask a question.

If you are calling into the meeting, click \*9 (star nine) on your keypad to be put in the queue to ask question.

**If you have any questions, please contact the Commission's Vice Chair, James Harnett at [2A08@anc.dc.gov](mailto:2A08@anc.dc.gov).**
