RE: Proposed Removal of Defunct Parking Meter Stems Along the 2000 Block of G Street NW and the 800 Block of 22nd Street NW and the Proposed Removal of an Unenforceable Parking Meter on the 2200 Block of G Street NW

Dear Mr. Patterson,

At its regular meeting on July 17, 2019, Advisory Neighborhood Commission 2A (“**ANC 2A**” or “**Commission**”) considered the above-referenced matter. With seven of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission voted unanimously (**7-0-0**), after a motion made by Commissioner Harnett and seconded by Commissioner Campbell, to adopt the following resolution:

BE IT RESOLVED that ANC 2A requests the removal of the six defunct parking meter stems along the 2000 block of G Street NW, an example of which is shown in Attachment 1.

BE IT FURTHER RESOLVED that ANC 2A requests the removal of the five defunct parking meter stems along the 800 block of 22nd Street NW, an example of which is shown in Attachment 2.

BE IT FURTHER RESOLVED that ANC 2A requests the removal of the parking meter on the southwest corner of the 2200 block of G Street NW, which is no longer a legal parking space, as shown in Attachment 3.

BE IT FURTHER RESOLVED that ANC 2A supports the creation of a new 311 request category allowing residents to request the removal of decommissioned transportation equipment, like defunct parking meters, so that future requests similar to this do not need to come before the Commission.

Commissioners James Harnett (2A08@anc.dc.gov) and William Kennedy Smith (2A04@anc.dc.gov) are the Commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.

Advisory Neighborhood Commission 2A

"Serving the Foggy Bottom and West End communities of Washington, D.C."

Sincerely,
